BUSINESS LUNCHEONS Former NSW Premier and Treasurer the Hon Nick Greiner AC and The Australian's Imre Salusinszky entertained guests with their informative yet relaxed conversation at the June business luncheon held at the Westin Hotel in Sydney. Don't miss this month's special luncheon with skilled speaker the Hon Bob Carr MP and renowned journalist Janet Albrechtsen. Join us on Wednesday 25th August 2010 at the Hilton Hotel in Sydney for what is sure to be another lively and entertaining discussion. The Sydney Chamber is teaming up with the European Chambers of Commerce to host a unique lunchtime event with the H.E. David Daly on 26th August 2010 at Dolton House in Pyrmont and will feature a speech by Mr Daly, followed by a candid conversation with the Chief Economist of Austrade, Mr Tim Harcourt.

Travel Ducati's historical highway.

The Italian dream. 'Ducati - The Story', available on DVD from August 2010, traces the history of the iconic Italian motorcycle manufacturer with rare footage, stills and interviews.

Ducati worked with Director Angelo Barberi and "Strike Video" of Milan on this project in order to achieve a compelling account of their impressive heritage. Fans will love the tale of the innovative Ducati brothers and the birth of the "Cucciolo" as well as engineer Taglioni and the Desmodromic system. Curator of the Ducati Museum, Livio Lodi, describes watching this DVD "As if leafing through an old photo album or speaking with a wise, old relative, the story becomes a fascinating view not only of Ducati's, but also of Italy's history.."

Celebrating Parma

World famous prosciutto di Parma

The Italian Chamber of Commerce in Sydney is pleased to have further strengthened its existing partnership with the Italian province of Parma

● This was made possible by its recent support of an exciting trade mission to Italy. Since our last E-Letter, a specialist Italian tour operator (Parma Incoming) organised an “Australian Educational” event, which involved three Australia-based travel agencies (Sogno Marketing, Escape Travel and A week in Provence) travelling to Parma in June for an action-packed tour over three days. A region of Italy celebrated for its beauty and rich gastronomic traditions, today the province of Parma is home to important industry and craft cooperatives as well as the factories and farms which produce the world famous Prosciutto di Parma and Parmigiano Reggiano. The lucky Australian delegates were also taken to the revered area known as ‘Terre Verdiane’, named after one of Parma’s most famous natives, composer Giuseppe Verdi. One of the Australians taking part in this mission was freelance journalist Charlotte Owen, who has agreed to contribute a special article about this region for the next issue of *Voi Tutti* magazine.

VOITUTTI

THE WINTER ISSUE (Inverno #17) of *Voi Tutti* has hit the stands and celebrates its fifth anniversary. Australia's fashion icon Carla Zampatti graces the cover and inside tells us her five wardrobe must haves. Four other famous Italian Australians share anecdotes in the theme of 'cinque'. Charlotte Owen takes to the Alps of Cuneo and feasts like a king; Lyndon Terracini reveals his Top 5 arias; Manuela Darling-Gansser prepares a five course celebratory dinner; we have Après ski glamour from top to toe with Evie Wright and the coolest shades in the warmest fabrics for children this winter. Buon Compleanno, *Voi Tutti*.

Subscribe and win.

Casa Barilla is offering Voi Tutti readers the chance to win one of five double passes to its September and October cooking classes.
