

Presenza italiana in Australia

La “Presenza italiana in Australia” elenca, in ordine alfabetico, le aziende italiane con una presenza stabile e diretta in Australia: consociata, joint venture, filiale o ufficio di rappresentanza. Per ogni azienda è indicata, oltre all’anagrafica, l’attività svolta e il settore di riferimento. Quest’elenco intende rappresentare un utile strumento di analisi degli interessi economici italiani nel paese e offrire visibilità alle 92 aziende italiane rilevate. L’elenco è stato compilato sulla base di rilevazioni dirette da parte dell’ICE con le aziende italiane o con le loro rappresentanze e non intende in alcun modo rappresentare l’elenco esaustivo di tutte le aziende italiani presenti. Nessuna responsabilità potrà inoltre essere attribuita a quest’ufficio per la pubblicazione di eventuali dati inesatti o errori

This publication “Italian Companies in Australia” is updated regularly and is considered to be a useful tool both for Italian companies, expatriates and foreign executives. A number of criteria have been established to make reading, updating and retrieving an easy task. 92 Italian companies are listed in alphabetical order. Their activities and legal status are shown as well as their lines of business. Among the listed companies, 59% are located in New South Wales and 30% in Victoria. 58% of the companies deal with industrial goods, 29% with consumer goods, whilst 13% provide services. The Italian Trade Commission has checked the information with the interested parties, however this list may not to be exhaustive of all Italian companies present in Australia. This office bears no responsibilities for any errors or incorrect data which might be published.
